Betsy McCall

Betsy McCall debuted on the cover of McCall's magazine in May of 1951. Mothers and daughters alike shared the fun of reading of the adventures of Betsy and her friends - twin baby sister and brother Merry and Kerry, cousin Barbara, little cousin Linda, cousin Sandy, school chum Drew, and Betsy's faithful dog Nosey - and cutting out their paper clothes. In September of 1952, Betsy jumped from its pages into the hands and homes of her loyal fans as a 14" doll. Now, Betsy and friends have been reintroduced as high quality vinyl dolls that capture the innocence and imagination that characterized Betsy in the 1950's.

Meet Ann Estelle, the "Queen of Everything." First introduced in 1999, our Ann Estelle is a 10" tall, high quality vinyl doll. She captures all the charm and whimsy of the character appearing as a paper doll in *Mary Engelbreit's Home Companion* magazine. Great care was taken to capture each darling detail of the Mary Engelbreit illustrations in both dressed dolls and extra outfits. This year, we are delighted to introduce Ann Estelle's dearest friends, Sophie and Georgia.

The Robert Tonner Story
Dreams and Dolls
By Stephanie Finnegan

This is the book collectors have been waiting for. Stephanie Finnegan, former editor of *Dolls* magazine and author of *Madame Alexander: An American Legend*, spent hours interviewing Robert and his closest friends and associates to tell, for the first time, his complete personal and professional story. Illustrated by brand-new photos of Robert at home and at work, as well as never-before-published photos from his early life, this beautiful volume features color photos of more than 200 dolls, from Robert's very earliest one-of-a-kind creations to spring 2000 introductions. Published by Portfolio Press, *The Robert Tonner Story* is a hard-cover, 144-page book that every Tonner collector will have to own.
