**Dear Friends,**

I am absolutely delighted to bring to you, what I believe is our best collection to date!

I am always excited to start a new collection...to have idea build upon idea and concept upon concept. When we first put pencil to paper at the beginning of a season, we have a pretty good idea of what we want as an outcome; but as each sample is finished, the line takes on a life of its own. The perfect example is our *Wizard of Oz* collection. I have always wanted to do a "fashion" set of witches. Once the first doll in her movie outfit was finished, she seemed to say "I want more clothes!" Being the company we are, we were more than happy to oblige...hence our 'Witches of Oz' collection!

2005 is also a year of many new characters. My personal favorite is our Marley Wentworth™. For a long time, Tyler has talked of her little sister, so I knew this was the year for us to meet. We are all charmed by her, and I hope you will be too.

I have always been a fan of comics and movies, so this year I was thrilled to work on a project that encompasses both; *Catwoman*. *Catwoman* is a sculpted likeness of the very beautiful, Academy Award-winning actress, Halle Berry. One of my all time favorite movies is *Chicago*, and I added Mama Morton this year to the collection of Flapper Age rascals. Make sure you check out the detail in that costume!

Of course all my favorite characters are back, too. Betsy McCall® arrives in 2005 with new looks in 8", 14" and 29" varieties. Ann Estelle by Mary Engelbreit® always has a new 'cute' challenge for us. She is back with many delightful new costumes (Sophie, Georgia and Gracie too!). Ann Estelle loves her playthings, so we've added to her toy collection.

We've been busy expanding the worlds of all our characters... you'll find new furniture in almost every category. And of course, some things never change—that is our commitment to bring both the adult collector and the child the finest quality dolls in the world. So enjoy - and don't forget to believe in the power of play!

*Robert*

**BELIEVE IN THE POWER OF PLAY™**

**The Wentworth Legacy Continues...**

From an early age, Tyler Wentworth® was destined to be a high flyer in the world of high fashion. After confidently assuming leadership of the House of Wentworth and receiving rave reviews for her first collection, Tyler set out to take the fashion world by storm. A modern day designer with a classic look and enduring sense of style, she draws inspiration from the sublime beauty of fabrics and the external influences in her fast-paced life. Tyler Wentworth® continues the legacy of her great-aunt Regina by forging new paths to innovative design that leave everyone talking about where this trend-setter will venture next. As a six-time winner of Fashion Design Weekly's top awards, Tyler expands her visionary influence into the worlds of boutique dressing, cosmetics, perfume, handsome menswear of distinction, timeless children's apparel, delectable shoes and luxurious home collections. She is a sign of the times, always current, yet setting the pace, a step ahead. The rest of the industry tries desperately to keep up with her cunning sense of style, but to no avail; her pace is too quick for them. She is one of the world's most talked-about designers, yet she maintains a very secluded and private world with her best friends, business associates and her beau, Matt O'Neill™.

Tonner® Doll Company is pleased to present the Tyler Wentworth® Collection. Tyler is a 16-inch, vinyl/hard plastic doll with rooted hair, hand-detailed painted eyes, and an extensive, stylish wardrobe. She is accompanied by her friends, Sydney, Esmé, Carrie and Angelina. Tyler Wentworth® fine dolls are available in BW Style (Bend Wrist); AR Style (Articulated Body), and BA Style (Bending Arms). All dolls feature a fully rotational neck joint, rotational shoulder joint, and jointing at the elbows and knees. The AR Style adds a swivel waist, rotational hip joint that allows for leg crossing, and a side-to-side drop-shoulder movement. The BW style adds bending wrists and increased elbow movement to the AR Style.

Introducing...

While big sister, Tyler Wentworth®, sets the trends in Manhattan, Marley Wentworth™ attends school near the Wentworth Family home and travels to New York City to spend great times with Tyler during the summer and holidays. Marley served as inspiration for Tyler's first Children's Collection. Marley loved all the clothes and even got Tyler to design her Prep School's new uniform; a labor of love for Tyler's old alma mater! Of course, Tyler's line was an instant hit with Marley and her friends, and when Tyler won the Best Children's Clothing Collection Award from Fashion Design Weekly, all the media was abuzz about where Tyler would take her talents next.

Tonner® Doll Company, Inc. is pleased to present Marley Wentworth™, approximately 12" tall, a vinyl and hard plastic fashion doll with rooted saran hair and hand-detailed, painted eyes. With jointing at the neck, shoulders, elbows, hips, knees and ankles, Marley can assume the coolest poses, and she has an extensive designer wardrobe from the House of Wentworth™.

## 8" Betsy McCall®

Betsy debuted on the cover of *McCall's*® magazine in May 1951, to the delight of mothers and daughters everywhere, for whom reading the adventures of Betsy and her friends, and cutting out their paper clothes, brought imaginative fun to playtime. In 1957, Betsy jumped from the pages of *McCall's*® magazine into the active hands of her loyal fans as an 8-inch hard plastic doll. Produced by the American Character Doll Company in conjunction with *McCall's*®, this Betsy was an instant hit as a playtime friend! In 2000, the Tonner Doll Company reintroduced 8-inch Betsy McCall® as a high quality doll for play and collection based on the original Tiny Betsy. Enjoy the new 2005 collection as you reminisce with Tiny Betsy McCall® and Betsy's best friend, Tiny Dru. NEW for 2005, Robert Tonner has added a new face paint and new hair styles to our favorite little darling, giving her more expression than ever!

## 8" Mary Engelbreit®

Meet our Ann Estelle, the "Queen of Everything," who captures all the charm and whimsy of the paper doll character who appears in *Mary Engelbreit's Home Companion Magazine*. First introduced as a 10" fine doll in 1999, our Ann Estelle now comes in three sizes: 8", 10" & 18", and even has her own beautiful collection of 'breit' clothing! Great care was taken to reproduce each darling detail of the Mary Engelbreit illustrations in both the dressed dolls and the additional outfits. CATWOMAN™

People Magazine selected EMME® twice as one of the "50 Most Beautiful People" of 1994 and 1999. Revlon chose EMME® as one of their celebrity spokeswomen in 1998. Glamour magazine selected her as "Woman of the Year" and Ladies' Home Journal chose her as one of their "Most Fascinating Woman of the Year" in 1997 and one of their "Most Important Women in America of 1999". Millions of viewers have enjoyed fashion advice from EMME® as host of "Fashion Emergency" on E! Entertainment Television. EMME® continues her pursuit of true beauty and self-image issues, and she provides insight on everyday rescues for beauty, fashion, relationships and life in her second book, *Life's Little Emergencies* (St. Martin's Press 2003). Now Robert Tonner reintroduces EMME® as a symbol of beauty and fashionable elegance in jointed dressed dolls and stylish fashion ensembles. A portion of the proceeds from the sale of this EMME® Doll will be donated to benefit body image and self esteem organizations.

EMME® is approximately 16" tall and is jointed at the neck, shoulder, elbow, hip and knee. This fine fashion doll is made from high-quality vinyl and hard plastic, with rooted saran hair and hand-detailed, painted eyes.

One year after Robert Tonner started his doll company in 1991, he introduced a magnificent set of 16.5" multi-jointed, porcelain fashion dolls which would pave the way for several developments of Tonner® fashion dolls. In 1994, Robert introduced the 19" vinyl American Model Dolls to much acclaim and popularity. Now, in 2005, Robert Tonner reintroduces the Tonner® American Models™ in new materials, proportions and undeniable glamour as only Robert can create. The new 22" doll is made from fine quality vinyl and hard plastic, with rooted saran hair and hand-painted eyes. Each doll is a work of art as seen in its exceptional haute couture fabrics such as cashmere, silk chiffon, embroidered lace and hand-beaded details. The Tonner® American Models™ feature jointing at the neck, shoulder, elbow, waist, hip and knee for the most fashionable posing. Celebrate the exceptional style of the Tonner® American Models™... artist dolls of unparalleled luxury.
