BELIEVE IN
 THE POWER
 OF PLAY®

At the helm of one of the largest and fastest growing fashion houses, **Tyler Wentworth®** steers her fleet into the multi-faceted world of business. By diversifying her brand and her image, she single-handedly transformed *The House of Wentworth™* into a world-wide business legend. Her day starts out much like yours—she refreshes her business knowledge each morning by absorbing all the latest trends in *Fashion Design Weekly*. Always on the go, everyone's favorite 7th Avenue wunderkind always observes her part in the city's recycling program by using her recycled shopping bag when out and about. In the afternoon, she manages her time like a well-tuned clock; tackling her business dealings in her ever-expanding licensing program such as finding that one new, perfect fragrance that will be sought after by the Manhattan elite. But all of Tyler's efforts don't have to be work; even after a long day around the city, she can still be ready to accept the most exclusive invitations to the world's most glamorous events. It's enough to take one's breath away...but it's all part of a day in the life of **Tyler Wentworth®**.

TONNER

Successfully dominating the fashion world has always been Tyler Wentworth's forte; in all of Tyler's years, she has always avoided stress...until stress came looking for *her*. Learning of all the new and exciting happenings at the House of Wentworth™, Regina Wentworth™ expressed the desire to be in the limelight once again. Tyler felt mixed emotions over the news of her aunt's potential return; primarily because she remembered what it had been like to work as an intern for Aunt Regina. As if the shocking new homecoming announcement weren't enough, Tyler also experienced utter astonishment when she learned that former Design School chum, Jeremy Voss, has distanced himself from Tyler, and he has lured away one of her exclusive top models, Kit. In fact, not only has Kit begun a changed life as the hot, fresh face for VOSS INTL, but she also has become one of Manhattan's latest singles by breaking away from The Chase Family in its entirety.

GONE WITH THE WIND

Robert Tonner proudly introduces his latest collection of fine dolls based on one of the world's most beloved films of all time, GONE WITH THE WIND™.

The incredible costumes, designed by the legendary designer, Walter Plunkett, each embody the characters from youth to war-torn maturity. And, for the first time ever, Robert Tonner has acquired the rights to reproduce the 'lost costumes'; designs for the film never seen in the final cut.

SCARLETT O'HARA™ is an authorized likeness of VIVIEN LEIGH in her award-winning role. She is app. 16" tall and she is crafted of fine quality vinyl & hard plastic with rooted saran hair. SCARLETT O'HARA™ features 13 points of articulated movement and hand-painted face detail.

In 1936, an artist named Dewees Cochran began sculpting very special dolls for Effanbee®. The artist modeled these dolls to look like real little girls. After Robert Tonner's acquisition of Effanbee® Doll Company, he was inspired by these sculpts and updated the collection with new faces and clothing to represent little girls of today. Effanbee Doll Company is proud to offer the sweetness and charm of America's Child.

Dolls have been styled for photography and may vary from actual production dolls.
