Introducing Tyler Wentworth® Convertible Basic™ dolls! Detachable feet allow you to change Tyler's feet from the high-heel arched feet to jointed ankle flat feet in a snap! Once attached, the feet add to your fashionable posing creating new, turn-out toes. Each doll comes with two sets of feet, a pair of high heel shoes and a pair of flat sandals.

THE LAST MIMZY

Based on the acclaimed sci-fi short story by Lewis Padgett, *The Last Mimzy* tells the story of two children who discover a mysterious box that contains some strange devices they think are toys. As the children play with these "toys," they begin to display higher and higher intelligence levels. Everyone realizes that they are involved in something incredible...but exactly what? *The Last Mimzy* features an ensemble cast that includes Timothy Hutton (*Ordinary People*, *General's Daughter*), Joely Richardson (*The Patriot*, *Nip/Tuck*), and Rainn Wilson (*The Office*). It is produced by Michael Phillips (*The Sting*, *Close Encounters of the Third Kind*) and directed by Bob Shaye (executive producer of, among other films, *The Lord of the Rings* trilogy). *The Last Mimzy* is scheduled for a March 23, 2007 release. Now, Robert Tonner and New Line Cinema have partnered to create a limited edition *Emma & Mimzy™* just for you! *Emma* is 18" tall and features the Katie™ head sculpt by renowned artist, Ann Timmerman, for Effanbee Doll Company, Inc. *Emma* is fully strung, high quality vinyl, and she has wigged hair and sweet, inset eyes full of expression; a miniature *Mimzy™* rabbit is included with *Emma*. You can also have a life-size *Mimzy™* of your own! Both *Mimzy™* plush rabbits are hand-pieced; *Emma's Mimzy™* is app. 9" from ear to toe – the life-size *Mimzy™* measures app. 14" from ear to toe.

ALL YOU HAVE TO DO IS DREAM

Robert Tonner presents DREAMGIRLS, inspired by the Dreamworks/Paramount film based on the hit Broadway Musical. DREAMGIRLS follows the life of a pop trio (Deena, Lorrell and Effie) of the late 1950s and early 1960s, and their rise to fame. 16" Dreamgirls have multiple points of articulation for the most groovy posing; some styles have removable wigs and some have permanently rooted hair, please see item descriptions for full details.

Flying onto the Scene!

Robert Tonner has long been a fan of the power and might of the DC Super Heroes; each with its own fascinating story of heroic powers and secret identities. Introducing the new Tonner Character Figure™ (TCF™) collection based on classic super heroes appearing in DC COMICS. SUPERGIRL & WONDER WOMAN are approximately 16" tall with multiple points of articulation.
